

I am a Uryside digital citizen!

- I only visit sites which are appropriate to my work at the time using the Internet as explained to me by my teacher.
- I tell a responsible adult straight away if anything makes me feel scared or uncomfortable online.
- I look after all the equipment carefully.
- I listen to my HEAD! I always keep my personal details private (My surname, family information, phone number, address, photographs, are all examples of personal details). I log out, and not share my login or password with others.
- I listen to my HEART! I RESPECT myself and others when I am online. I use kind words, and remember that my 'digital footprint' should not harm others!
- I STAND UP and say no to CYBERBULLYING. I tell an adult if someone is being unkind or harmful.
- I listen to my GUT! I make sure that I am SAFE & APPROPRIATE when I am online. I do **NOT** communicate with anyone I do not know online. I follow Copyright Laws, and will remember to cite the sources I use for all my projects.
