

Fancy getting involved in your Parent Forum?

New Members

The Uryside Parent Forum meets at least termly and always encourages new members to come along as new and fresh ideas are always welcome. If you would like to be part of the Parent Forum you are more than welcome to come along to our next informal meeting on Tuesday 9th October at 6.30pm at Uryside School. This will take the format of a meet and greet with current members and an informal opportunity to find out more without making a commitment.

Helpers

If your time is limited but you would still like to get involved, we are always on the lookout for more helpers at our fundraising events. Even just a small amount of your time would be a massive help. Last year our PTA raised a phenomenal £4000. This fundraising in the past year has helped to support JRock, continuation of swimming lesson through the funding of a bus, P7 leaver's hoodies, £250 for each breakout space within the school and not forgetting the discos, Christmas parties and presents for our nursery.

The expectation is that this does not have to take a lot of your time. So let's celebrate our first year in our amazing new school with a healthy forum of volunteer parents committed to building on the work already started and to have some fun in the process. You never know you might even make some new friends.

Without parent volunteers none of the above is possible therefore it is all of our responsibilities to ensure our children get a great experience at school.

Craig Johnston

Chairperson of Uryside Parent Forum
