

Uryside School Learning Statement

This is US!

We try our best in everything we do.

We love learning; we want to succeed. We have a variety of people to help us.

We learn together.

We share what we are learning and we help each other to get to the next step. We know what we are learning and recognise when we have been successful.

We are creative.

We try to think in new ways and solve problems. We use our initiative, take risks and accept that we learn from mistakes.

We learn in different ways.

We accept that we may learn in different ways, using a variety of resources and at a different pace to others. We respect differences.

We are engaged.

We flourish through engaging and challenging learning experiences that we help to create.

We are respected and trusted.

We are all part of a school community where everyone is treated fairly, listened to and valued.

We are in charge of our own learning.

We reflect on our learning and plan our next steps. We know where we want to go and how to achieve our goals.

We are involved.

We are encouraged to voice our ideas, needs and opinions.

We are given choices.

We all have choices in our learning.
We try new things and take risks.
