Our School Ethos

Uryside School is a school where everyone works together as a community to create an ethos where all the children are nurtured, respected, included, inspired and motivated in reaching their full potential, not only academically, but as confident individuals ready to actively grasp and follow their dreams in the future.

Uryside School is a caring and inclusive school. Children, staff, parents and the community are valued as individuals, achievements are recognised and celebrated.

When the children of Uryside leave school they know how to learn, they thrive on challenge, they are ambitious, they have high self-esteem and know how to make the right choices as responsible citizens.

Uryside strives for excellence and actively welcomes and values the contributions of children, parents, staff and the wider community.
