## Apps and Website Home Support

Here are some educational apps and websites that you can try to support your child with learning at home.

	<p><b>Epic</b> This app contains a variety of reading material, quizzes and games. There is an option to have stories read to your child as they follow along.</p>		<p><b>Nessy</b> Programs are designed to help students of all abilities learn to read, write, spell and type, especially those who learn differently.</p>
	<p><b>Teach My Monster</b> A fun progressive app that supports children in learning phonics and tricky words.</p>		<p><b>Hit the Bottom</b> An interactive maths game with quick fire questions on number bonds, times tables, doubling and halving, multiples, division facts and square numbers. The games, which are against the clock, challenge and develop a child's mental maths skills.</p>
	<p><b>Osmo</b> Osmo stands and supporting materials can be purchased and used alongside the related app. Materials support letters, numbers, drawing and shape amongst others.</p>		<p><b>Ed Shed</b> This website contains the spelling shed and maths shed.</p>
	<p><b>Phonics Play</b> Website which can be used to support the learning of phonics.</p>		<p><b>Google Expedition</b> An immersive education app that allows teachers and students to explore the world through over 1000 virtual-reality (VR) and 100 augmented-reality (AR) tours.</p>
	<p><b>Mathletics</b> Both an app and website area available to develop math skills.</p>		<p><b>Sum dog</b> an educational website that motivates students to practice their mathematics, reading and writing skills through online games.</p>
	<p><b>Padlet</b> Padlet is a digital canvas to create beautiful projects that are easy to share and collaborate on. It works like a piece of paper. We give you an empty page - a padlet - and you can put whatever you like on it.</p>		<p><b>Jolly Phonics</b> An app at helping young children in the initial stages of learning to read with phonics. With beautifully drawn scenes to display the learning content, this app will attract children to engage with it. Children learn about a group of letter sounds at a time.</p>
