Dear Parents and Carers,

Over the coming days, via email, I am delighted to be able to share with you your child's annual progress report for the 2019-20 school year. Due to our current unprecedented situation, this report is based on the information available in March 2020. At that time, all of the children had made significant developments in their learning – academically, developmentally, physically, emotionally and socially. I am sure you have noticed many of these at home and this report represents a snapshot of their achievements and attainment in school.

Enclosed with the progress report is an explanation sheet which explains terms used in the report. Please use this to assist you while reading the report. We would really appreciate you completing the parent and carer comment sheet and returning it to school by Tuesday 28th April. This will help us to gather your views on your child's learning to inform the future direction of their next steps.

We are hoping to allow you the opportunity to talk with your child's class teacher regarding the progress they have currently made. We are still finalising how best to approach this given our current lock down circumstances. Please indicate on the comment sheet if you would be interested in a 10 minute conversation with your child's class teacher.

Should anything be unclear in your child's progress report, or if you have any concerns that school has previously been unaware of, please feel free to contact your child's class teacher via Seesaw or email the school. Alternatively, request an appointment via the comment sheet. We hope to be able to finalise arrangements, assuming this is possible, very soon. Many thanks for your support and partnership in your child's learning.

Wishing all of our families and community continued good health. We hope to be able to see you all again in the not too distant future.

Yours sincerely,

Kim Dodd

Head Teacher

Parent/ Carer – Comment Sheet -

Child's name: _____ Class: _____

Date: _____

Please indicate below as appropriate.

I/ we would be interested in the school facilitating the opportunity of a 10-minute conversation with our pupil(s) class teacher(s): yes/no.
