## Primary Parents Meetings Appointments go live at 9am today.

We are offering parents of primary pupils the opportunity to meet their child's class teacher virtually on Wednesday 24th November 3.30-6pm or Thursday 25th November 5.30-8pm. All appointments must be pre-booked.

Unfortunately, regulations continue to prevent us having face-to-face meetings in school. As a result, we are using an online booking system:

[www.parents-booking.co.uk/urysideprimary](http://www.parents-booking.co.uk/urysideprimary)

In order to pre-book appointment times. All going well, you

should be able to pick a suitable time to have a 10 minute appointment with your child's class teacher. More information on how to do this is available [here](#).

The online booking system is available from 9am Friday 12th November until 9am Thursday 18th November.

From Thursday 18th November, class teachers will email MS Teams meeting codes to all parents that pre-booked. Guides will be available on how to use MS Teams nearer the time.

Please contact the school office should you have any difficulty making an appointment and we will do the best we can to resolve the issue.

## School Meals Autumn Winter Menu

## Battle of the Brits Competition

The Evening Express has teamed up with Battle of the Brits to ask children across the North East “What does sport mean to me?”.

We want kids to draw a picture of what sport means to them to help inspire the tennis stars of the Battle of the Brits event at P&J Live! There will be five different age groups and the best drawing from each, judged by Judy Murray, will be framed and put up in the players’ locker rooms and other areas to help inspire the top players there including Andy Murray, Jamie Murray, Dan Evans, and Joe Salisbury before they go out to play.

The winners from each age group will also get **FOUR TICKETS each** for them and their family to go and see all the amazing tennis action and **meet the players and Judy in person**. That’s not all though! An overall star prize winner will be selected to get all of the above as well as **their school taking part in an exclusive video call from Judy or Jamie Murray**.

All the entries will be featured in supplements in the Evening Express so all our readers can also be inspired by the artwork from all the children who enter.

## I Bike Survey

This year's I Bike Parent/Carer survey which closes on the 22<sup>nd</sup> of November and can be accessed here:

<https://sustrans.onlinesurveys.ac.uk/i-bike-parent-and-carer-survey-2021>

The parent/carers survey is really helpful as it provides insight into how parents view I Bike, how they view their children using active travel, and what barriers they see as preventing their children from using active travel.

## School Photographs

We are pleased to announce that the school photographer will be in school on Tuesday 30th November to take individual photographs of all of our pupils: Nursery to P7.

Once again we have teamed up with Pixel 8 Photography to provide a range of different packages for parents/families to purchase.

## Current COVID Guidelines and Pupils Self Isolating

Any pupil absent from school, self-isolating or awaiting the results of a test, can access school materials via weekly home learning tasks sent on Seesaw if they are well enough to do so. There is also a wealth of resources available via our Uryside School Virtual Classroom: <https://tinyurl.com/Urysidevirtualclassroom>

- If your child is unwell, please let them rest. We have no expectation that they will engage in learning in these circumstances.
- Aberdeenshire Council does not expect class teachers who are leading their classes to provide additional tasks for pupils who are absent from school. However, they will send any suitable activities that the class are doing via SeeSaw when appropriate.
- Please be aware that class teachers normally do not answer SeeSaw messages out with the normal working day or during the times they are teaching the class.

A guide to the current advice and restrictions in place is available to view [here](#).

**Please note:** Pupils must be supervised when completing lateral flow tests and positive results should be followed up with a booking made for a PCR test. Please follow the guidance attached to the lateral flow tests and avoid eating/drinking 30 minutes prior to completing the test.

Following a negative result on a PCR test, the pupil can return to school.
