

# Uryside School Reporting Model

At Uryside School we work together to create an ethos where all children are nurtured, respected, included, inspired and motivated. We aim for all children to be successful learners and confident individuals. Through working in partnership with parents we have created a 'Reporting Model' to share the methods of reporting we use in school to ensure parents are informed and involved in their child's learning.

## **Annual Report**

You will receive a written report each year detailing your child's attainment, progress, strengths, personal qualities and next steps in learning.

## **Parent's Evenings**

Twice a year you will have the opportunity to meet with your child's class teacher to discuss learning progress and how to support your child.

## **Google Classroom**

You can access information about your child's specific class including timetables and home learning.

## **School Events**

You will have regular opportunities throughout the school year to view and take part in school and class events. E.g. open afternoons, sports day and assemblies.

## **Fortnightly Newsletter**

School newsletters will be sent out via email and will provide you with educational developments, school information and Google links.

## **Learning Journals**

Our school online learning platform, where you will see your child's work across the curriculum. This will be updated throughout the year.
